Real-Life Korean Conversations for Beginners

Korean Made Easy for Beginners

This book is a complete guide for people who want to learn the Korean language, starting from the very beginning, and learn the alphabet and the correct sounds of vowels, consonants, and diphthongs. It was written for people who want an easy but systematic approach to the language. The writer is a non-native speaker who started learning the language from ZERO, just like you and spent years in Korea trying to reach a better level of proficiency in Korean. After a few weeks of study, you will study to recognize words, make sentences, and have simple (but miraculous) conversations with other Korean speakers!

Have you ever considered learning Korean, but been put off by the unusual look of the characters? Don’t let yourself be scared away! Korean has been called "the most logical language there is," and with this friendly and thorough introduction you will soon see why. The best way to learn Korean—this book uses a lighthearted, humorous approach. Korean for Beginners starts by showing you just how reasoned and logical the Korean alphabet, hangeul, actually is, and helps you master it faster than you learned the English alphabet. Realistic situations you might encounter in Korea in Korean-speaking environments are described, and new words are explained in terms of how you'll find them useful to communicate. Numerous illustrations enliven the text, downloadable audio lets you listen and repeat phrases in the book. Soon you'll be able to say with pride, "I know Korean!" Features of Korean for Beginners are: Learn to read Korean writing with ease. Practical phrases help you converse with confidence. A lighthearted "guide" walks you through, bringing the language to life. Downloadable audio with native Korean speakers help you to speak Korean like a pro. As the more than 1 million Americans who speak Korean can attest, the Korean language is here to stay, and generations of young (and older) adults are determined to learn it. This book is for people who want a grasp of how to speak, write and understand Korean—and who want to enjoy things while they're at it!
