This will help you in delivering the course by enabling you to apply the same standards consistently across your department and save you time in researching answers yourself, as well as giving you plenty of ideas to support students.

“Sabirul Islam emulates what we call a true entrepreneur and the success which the book brings can really create the entrepreneurs of tomorrow” - Peter Jones of Dragon’s Den and bestselling author. Sabirul Islam was born and raised in a deprived area. At aged 14, he entered the UK Young Enterprise competition and became an entrepreneur by starting up a website design company. Merrill Lynch then selected him for their Atlantic Fellowship during which he learned about the world of investment. Today, one of Sabirul’s main aims is to inspire others to make the most of their lives. In this personal and inspiring book, Sabirul describes how he started out and what motivated him to dig deep into entrepreneurial success. He shows readers how to put their talent and abilities to use to bring success and happiness into their lives. Sabirul’s “Three Strikes” - intensity, integrity, intelligence - are the foundations on which most of us can become tomorrow’s successful entrepreneurs and have the world at your feet.

A clearly written and easily accessible textbook that encourages independent study, covering all the core material required for the BTEC First Certificate and Diploma. Starting your own business is one thing, but running and keeping it going is another. Annually, there are around 400,000 start-ups in the UK, but in a single year 300,000 businesses also fail. You owe it to yourself, your family, and your own ambition to make your business one of the success stories. This book helps you do just that. More than a "how to" book, Start Up and Run Your Own Business brings the skills of experienced blue-chip consultants to bear on your enterprise. Now in its 8th edition, the book lends you both the authority and experience you need to make the right decisions to ensure your business survives and thrives beyond the critical first few years. Author Jonathan Reuvid gives expert advice and commentary on all the key issues you need to address to make your business successful - from business definition, marketing and raising finance, to procurement, accountancy, IT, taxation and HR issues. This 8th edition is also fully revised and updated to cover all the ramifications of the current "credit crunch" conditions and economic downturn for growing and fledging businesses. Combining best practice advice with cogent strategies for growth and expansion, Start Up and Run Your Own Business has earned a
This new edition continues this tradition, helping you make the most of your business venture.
